Re: Water Tiger T'ai Chi Raises Funds for St. Jude Children's Research Hospital

Water Tiger School of T'ai Chi Ch'uan has raised over \$1,600 for St. Jude Children's Research Hospital in Memphis, TN. Volunteers presented a marathon series of T'ai Chi demonstrations from 6 PM to 9 PM on August 19, 2005, during the Village of Patchogue's Alive After Five celebration.

"I'm so pleased with the dedication and enthusiasm of our participants and our extraordinary support team," says event coordinator Francesca DeStefano. "And we want to thank everybody who so generously offered their donations in support of this worthy cause."
